

I would like to made this an interactive mini game to send to sis. I have included screen shot of the GPT instructions. There are 4 prize box options I've also attached a photo Id like to include to email

Opening message

Happy birthday to the most amazing sister anyone could ask for! Today I want to celebrate not just another year of your life, but the light, strength, and laughter you bring to every single day.

I admire your courage, your kindness, and your ability to lift others even when you are going through your own hard times. I'm so proud of you and praying your next job will be filled with work mates who recognise how awesome you are and appreciate you.

So today, its all about you. Smile bug, laugh loud and get ready – because I’ve got a little

🎁 Part 2: The "Pick Your Prize" Birthday Game

Here's how the game works:

- Present it as a **"Birthday Game Show"** or a **"Mystery Prize Challenge."**
- She gets to choose one of **three envelopes, boxes, or cards** (real or digital).
- Each contains a different **prize or experience** — you can tailor them based on her interests.

Here's a fun way to present it:

🎲 Welcome to: **"Pick Your Birthday Surprise!"** 🎲

You get **ONE** choice. No peeking. No switching. Just go with your gut!

Behind each card is a different surprise. Choose wisely...
